

Collection zones are identified on the map by their zone number only.  
 Letters on the map identify the 100 km. square on the National Grid.

Key to zones:

1	N	North
2	NC	North Central
3	NE	North-East
4	EC	East Central
5	SC	South Central
6	SW	South-West (exclusion zone)
7	NW	North-West (exclusion zone)
